

Steel Ply Forming System

X-Flat Ty

The AR X-Flat Ty is designed to be used with modular form systems. Used in conjunction with a wedge bolt, it creates a secure form tie. The AR X-Flat Ty comes with a standard 1/4" set back. Available for 8", 10" and 12" wall sizes, additional wall sizes available on request.

Wall Size	SWL (lbs)
8"	3,000
10"	3,000
12"	3,000
