NEOGARD® A Division
of Hempel (USA) Inc.

*Tested by independent laboratory:
Dallas Laboratories, Inc.

STRONGER THAN CONCRETE*

OUR FAMILY OF FLOORING SYSTEMS ARE THE RESULT OF MORE THAN 40 YEARS OF ACCUMULATED KNOWLEDGE ON PROTECTING CONCRETE FLOORS.

ENVIRONMENTALLY FRIENDLY SYSTEMS

NEOGARD® floor coating solutions are available in a variety of colors, textures and thicknesses. These systems can vary in thickness from 16 mils to 250 mils depending on the operating floor conditions and requirements.

NEOGARD® floor coating systems can be combined with our waterproof membranes to provide seamless watertight surfaces.

*Tested by independent laboratory:
Dallas Laboratories, Inc.

NEOGARD® IS A DIVISION OF HEMPEL (USA) INC.

For over 80 years JONES-BLAIR® has produced high performance coating systems to solve problems. These solutions come from our ability to understand and respond to our customer's needs, and are made possible by our world class lab and manufacturing facilities.

NEOGARD® systems protect many of our planet's prestigious structures.

NEOCRETE INDUSTRIAL

TROWEL, SL, & SL BROADCAST:

For meat and poultry processing plants, food and beverage plants, industrial kitchens, pharmaceutical plants, animal research centers, and chemical environments.
