

AccuTrac® Plates

PRODUCT DATA SPECIFICATIONS

PRODUCT DESCRIPTION

OMG AccuTrac® Insulation Plates are made of Galvalume® coated steel and designed exclusively for use with the stand-up AccuTrac and AccuTrac EZ installation tools.

AccuTrac Plates are 3-in. (75 mm) square and designed for use with OMG manufactured Phillips head fasteners.

FEATURES & BENEFITS

- Using the AccuTrac System can improve installation productivity when compared to traditional installation methods.
- AccuTrac plates are compatible with all insulation types including hard cover boards.
- AccuTrac Plates are packaged 125 per sleeve for easy loading in the AccuTrac or AccuTrac EZ tool.
- AccuTrac Plates are packed in weather-proof buckets.
- Factory Mutual and Dade County approved.

APPROVALS

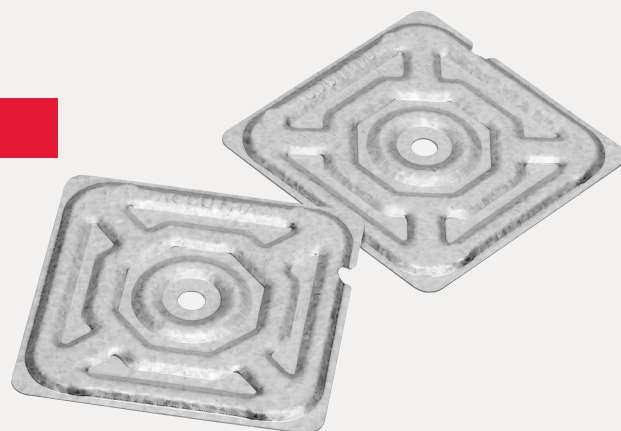

APPLICATION

Use OMG AccuTrac Plates with the stand-up tool to install insulation on steel and wood decks.

The AccuTrac System is compatible with several OMG fasteners, up to 8 inches long (203 mm) including:

- #12 Standard RoofGrip Fasteners,
- #14 Heavy Duty Fasteners,
- #15 XHD Fasteners
