

Available contributions and compliance to LEED® points

Under the USGBC® LEED 2009 for Green Building Design and Construction
REVISED JUNE 2011

OlyBond500[®] Green INSULATION ADHESIVE

OlyBond500[®] Green adhesive contains 12.5% rapidly renewable materials. To calculate the contribution, multiply .125 by the dollar value of OlyBond500 Green on the project. Add this value to all other rapidly renewable materials on the project.

- Apply to MR Credit 6

OlyBond500 Green adhesive has low VOCs and no noxious odors.

- VOC <5g/L per ASTM D-2369
- Complies with the intent and requirements of IEQ Credit 4.1

OlyBond500 Green point of manufacture is Rockford, MN 55373.

Fasteners FOR COMMERCIAL ROOFING

All OMG steel products contain a minimum of 25% post consumer recycled material by weight. To calculate the percent recycled content on a project, multiply .25 by the value of the fasteners and plates. Add this value to all other recycled content on the project.

- Apply to MR Credit 4

Fasteners and plates are manufactured* in Agawam, MA 01001 and Itasca, IL 60143.

*The point of manufacture for fasteners and plates varies depending on the specific part. Call 800-633-3800 for assistance.

OlyFlow[™] RETROFIT ROOF DRAINS

Hercules[®] RetroDrain with Cast Aluminum

Strainer – The OMG Hercules RetroDrain with Cast Aluminum Strainer contains a minimum of 75% post consumer recycled material by weight. To calculate the percent recycled content on a project, multiply .75 by the value of the OMG Hercules RetroDrain with Cast Aluminum Strainer. Add this value to all other recycled content on the project.

- Apply to MR Credit 4

OMG Hercules RetroDrain with Cast Aluminum Strainers are manufactured* in Pittsfield, MA 01201, Etobicoke, ON M9W4Y9, Bowmanville, ON L1C3T6 and assembled in Agawam, MA 01001.

RAC Deluxe RetroDrain – The OMG RAC Deluxe RetroDrain contains a minimum of 37.5% post consumer recycled material by weight. To calculate the percent recycled content on a project, multiply .375 by the value of the OMG RAC Deluxe RetroDrain. Add this value to all other recycled content on the project.

- Apply to MR Credit 4

OMG RAC Deluxe RetroDrains are manufactured* in Middleton, MA 01949, Springfield, MA 01104 and assembled in Agawam, MA 01001.

*The point of manufacture for drains varies depending on the specific part. Call 800-633-3800 for assistance.
