

Flat Strap (Flat Stock)

Flat Strap (Flat Stock) is a multi-purpose product used on a large number of applications. Commonly used as a backer plate to support shelves, cabinets, fixtures and handrails when installed to metal or wood framing. This product is deeply knurled for positive screw location and to eliminate wandering. Offered in 25, 22, 20, 18 and 16 gauge and a variety of widths and lengths.
