klinchSTIK® SPLAY CORNER BEAD

Phillips klinchSTIK® splay corner bead creates a time-saving, smooth, consistent finish for open angles exceeding 120°. klinchSTIK® splay features a grey galvanized surface coating which provides excellent rust protection. Install using standard industry practice with nails, staples, screws or clinching tool and finish with joint compound for a high-quality professional finish. Like all Phillips corner beads, this bead features deeply knurled mud anchors to further ensure perfect mud adhesion.

ShadowFree® SPLAY

Phillips ShadowFree® splay corner bead is the perfect color and texture for a superior finish on open angles exceeding 120°. This product is primed over a hot-dipped galvanized steel surface coating for excellent corrosion prevention and to ensure quality mud and paint adhesion. Phillips exclusive ShadowFree® surface coating helps prevent shadowing and cuts down on finishing time.
