## LEED® (Leadership in Energy and Environmental Design)

Phillips Manufacturing Co. understands the importance of recycling and manufactures all of its products utilizing materials with recycled content. Phillips Manufacturing's products contain a minimum of 30% total recycled content (25% post-consumer and 5% pre-consumer). Using Phillips products can contribute to several LEED® points under the Materials and Resources category.

- MR Credits 2.1 & 2.2 Construction Waste Management. Recycling construction waste contributes to LEED® credits MR 2.1 & 2.2 and cold formed steel is 100% recyclable.
- MR Credits 4.1 & 4.2 Recycled Content
- MR Credits 5.1 and 5.2 Regional Materials

To request a project specific LEED® letter, please visit our website at [www.phillipsmfg.com](http://www.phillipsmfg.com) or link directly to the request page at [www.phillipsmfg.com/leed](http://www.phillipsmfg.com/leed).

### **Product & Company Identification**

- |                                 |   |
|---------------------------------|---|
| 1. Products:                    | Steel corner beads, trims, framing components; paper faced metal corner beads, trims, accessories; vinyl corner beads, trims, accessories |
| 2. Manufactured By:             |   |
| Phillips Manufacturing Co.      | Phillips Manufacturing Co.  |
| 4949 S. 30 <sup>th</sup> Street | 504 Walnut Street   |
| Omaha, NE 68107                 | Niles, OH 44446   |
| 402.339.3800                    | 330.348.4338  |

### **Recycled Content (Percentages are by Weight)**

- |                                    |                                   |
|------------------------------------|-----------------------------------|
| 1. Manufacturing Location:         | Omaha, NE 68107 / Niles, OH 44446 |
| 2. Total Recycled Content:         | 30%                               |
