

1" #66 Short Flange Square Casing

#66 Short Flange Square Casing Bead provides a short 90° angle return at plaster surface which serves as a plastering stop to ensure a neat finish. The perforated flanges aid attachment and plaster keying. Available in a variety of grounds and in either galvanized steel or zinc. (1-1/4" and 1-1/2" special order, minimum quantities may apply.) Available with or without weep holes.
