

PROSOCO PRODUCT VOC COMPLIANCE

PROSOCO products are manufactured and marketed in compliance with the US Environmental Protection Agency's AIM VOC regulations with regard to Volatile Organic Compound (VOC) content. This document provides VOC compliance information for individual state or district jurisdictions which are more restrictive than the US EPA regulation.

PROSOCO products not included in the table are FULLY COMPLIANT with VOC regulations nationwide. See Page 2.

States not otherwise listed below follow the national US EPA regulation.
