# 7 Spots

for new Homeowner Satisfaction

Innovative solutions for buildings.™

## 7 Spots for new homeowner satisfaction

1. Clean, bright exterior brick.

2. Exterior brick that fulfills its promise of long service life.

3. Expensive marble and granite countertops that water, food, drinks and oil won't penetrate and stain.

4. Masonry floors that keep contaminants on the surface for easy cleanup.

5. Masonry floors that shine, while resisting scuffing and staining.

6. Pavers with deeper, richer color, that keep their beauty in the face of water and weather.

7. Concrete driveways and sidewalks that don't crack and spall.

1. Sure Klean® 600 Detergent for clean, bright exterior brick

2. Sure Klean® Weather Seal Siloxane PD for weatherproofing exterior masonry

7. Consolideck® Saltguard® for concrete sidewalks and driveways that stand up to the toughest climates

3. Stand Off® SLX100 for protecting expensive granite and marble countertops against oil, drink and food stains

6. Stand Off® Paver Enhancer brightens and evens out color while simplifying cleaning on most concrete, fired-clay and natural stone surfaces

5. Stand Off® Gloss 'N Guard WB glossy protective coating for tile, pavers, terrazzo and other masonry flooring

4. Stand Off® Stone, Tile & Masonry Protector for easy maintenance cleaning of masonry floors
