

Tile, Paver & Stone Care Products

Water and dirt can wreck masonry investments.
Stand up to them.

The value of a stone, ceramic tile or architectural concrete surface drops with every ground-in bit of grease, grime, food, oil, smoke or other contaminant that besmudges it. Water penetration, and the resulting destructive freeze-thaw cycle, can crack, flake and stain expensive masonry.

You don't have to stand for that. Keep those enemies at bay with PROSOCO's Stand Off® products. Let the beauty – and value – of your masonry endure.

Stand and deliver

Stand and deliver masonry that shines and endures with the power of PROSOCO's other products for cleaning, protecting and maintaining concrete, brick and stone.

Sure Klean® new construction cleaners
 safely strip excess mortar, job dirt, efflorescence and other staining from new masonry surfaces.

Sure Klean® restoration cleaners
 remove atmospheric dirt, carbon, paint, algae, oxidation, body oil, nicotine staining and more from many older interior and exterior masonry surfaces.

Weather Seal products
 give your vertical and horizontal concrete and masonry deep, long-lasting protection against salt attack, water penetration and more.

Defacer Eraser® products
 it's a fact – rapid removal is the key to stopping graffiti. PROSOCO's Defacer Eraser® line is the key to rapid removal. Graffiti practically slides off surfaces treated with Defacer Eraser® graffiti removers and protective treatments.

The first name and the last word in cleaning, protecting and maintaining your masonry investment.

Clean

Installation is messy and so is life. Don't stand for them on your valuable tile, paver and stone surfaces.

All Surface Cleaner

Safely cleans and degreases expensive stone and tile floors, countertops and just about everything else! This "next generation" cleaner and degreaser is potent enough for commercial and industrial use, and flexible enough for household cleaning inside and out. Comes prediluted, in concentrate, or in handy towelette wipes.

Enviro Klean® Safety Klean

Quick, easy and safe – that's how this environmentally friendly new installation cleaner takes excess mortar and grout off new stone, tile and paver surfaces. Safety Klean won't hurt most metals, and uses no hydrochloric acid.

Grout & Tile Cleaner

Breaks the grip of dried grout smears on newly installed tile, pavers and stone.

Sure Klean® Fast Acting Stripper

Outmuscles the strongest coatings, including epoxies, enamels, graffiti, lacquers and more. Rinses simply with hot or cold water, or steam – indoors or out.

Poultice Powder

Mix this odorless blend of dry, absorbent clays with water or a recommended cleaner for a custom poultice that draws contaminants out of polished or porous masonry and stone.

Protect

Take a stand against the water, oil, mold and more that's gunning right now for your tile, paver and stone investments.

SLX100 Water & Oil Repellent

Great for granite counters and other dense, color-sensitive surfaces, breathable SLX100 keeps out water, oil and food staining without changing surface appearance.

Limestone & Marble Protector

Penetrating, breathable LMP protects limestone & marble from water, oil and other destructive staining agents. Great for most masonry, too!

Stone, Tile & Masonry Protector

Low-odor STMP stops stain attack indoors and out. From orange juice, ketchup or wine on expensive restaurant tile and stone, to motor oil on concrete garage floors, tough, breathable, penetrating STMP keeps it from soaking in. Cleanup is easy with soap and water or Stand Off® Rinseless Cleaner.

Stand Off® Stain Barrier

This economical, easy-to-use, protective treatment guards inside and outside stone and tile against oil, food and waterborne stains. Maintenance cleaning is fast and easy on surfaces treated with breathable, invisible Stain Barrier. This low-odor treatment complies with all known VOC regulations.

Gloss 'N Guard WB

"The shine that shields" gives your natural stone tiles and pavers the deep lustrous finish that resists water, dirt, oil, scuffmarks and more! Water-based and VOC-compliant, beautiful, durable, one-component Gloss 'N Guard WB improves slip-resistance and simplifies maintenance cleaning. Solvent-carried version also available.

Stone Polish

End etching and staining on expensive countertops and other interior stone with the rich, protective luster of easy-to-use Stone Polish. Protects stone against spilled juice, alcohol, food, and much more.

Color Enhancer

Bring out the color, warmth and richness of interior limestone, granite, marble and other natural stone. Ideal for stone counters, tabletops and stone and terrazzo floors, VOC-compliant Color Enhancer helps stone resist damage from water, grease, oil, spilled food and drink and dirt.

Maintain

Whether the dirt, mess and stains come by the day or the decade, stand up for cleanliness.

Rinseless Cleaner

Ideal for daily maintenance cleaning, Rinseless Cleaner in concentrate has the horsepower to strip tough wax coatings & dissolve crusty, built-up soiling. Perfect for cleaning surfaces treated with Stand Off® protective treatments.

Liquid Marble Cleaner

This low-odor, high-powered cleaning gel is perfect for indoor maintenance or restoration cleaning of polished stone or glazed tile. Works great outdoors, too.

Oil & Grease Stain Remover

No powders, cleaners or mixers needed. Just pour batter-thick Oil & Grease Stain Remover on stained stone, tile or pavers, and let dry. Remove the dried mixture, and the stains go with it! Great for pulling oil and food stains out of expensive stone counters and tabletops.

For VOC information on PROSOCO's protective treatments, see the current applicable product data sheet.
