PRODUCT DATA SHEET

FOAM-A-COIL™ AEROSOL Coil Cleaner for Condensers & Evaporators

Description

Foam-A-Coil Aerosol removes grime, oil, grease and dust from small air cooled condensers found on ice machines, as well as from small evaporator coils, permanent filters and window units. A powerful, emulsifying surface-active foam takes just minutes to lift grease and dirt off normally inaccessible surfaces, restoring operating efficiency, decreasing power consumption and costs, and reducing risk of equipment failure.

Instructions

1. Shake well before using.
2. Spray area thoroughly and allow to soak for several minutes.
3. Wipe clean or flush with water.

Special Notes: On waxed and painted surfaces, Foam-A-Coil should be rinsed off within a minute of application to avoid the possibility of removing the wax or fading the paint.

Recommended For

Evaporator Coils, Condenser Coils, Air Conditioning Units, Air Handlers, Microchannels and Window Units

Application

Degreaser, Cleans Grime, Lifts Oil, Non-Corrosive

Characteristics | Features

- Foaming action penetrates stubborn grease, tars and dirt. It disperses them so they can be rinsed away with water.
- Non-Acid, can be use indoors and outdoors
- Will not harm copper or aluminum

Packaging

Code	Size	Qty. per Case	Lbs. per Case	Cubic Ft per Case
82640	12 oz. Aerosol	12 Cans	13	0.51

FOAM-A-COIL™ AEROSOL

Coil Cleaner for Condensers & Evaporators

Specifications

Wt/Gal @ 77°F	Approximately 8.5 lbs./gal.
Flash Point SETA CC	126°F
Color	Clear
Shelf Life	2 years

Nonfood Compounds
K4

Suggestions and recommendations covering the use of our products are based on our past experience and laboratory findings. However, as we have no control as to the methods and conditions of application, we only assume responsibility for the uniformity of our products within manufacturing tolerances.

Precautionary Statements

Refer to Safety Data Sheet (SDS).

KEEP OUT OF REACH OF CHILDREN

FOR CHEMICAL EMERGENCY, SPILL, LEAK, FIRE, EXPOSURE OR ACCIDENT, CALL CHEMTREC - DAY OR NIGHT 1-800-424-9300

For additional Technical Information Call Toll Free 1-800-231-3345

 **WARNING** This product can expose you to chemicals including Diethanolamine, which is known to State of California to cause cancer. For more information go to www.P65Warnings.ca.gov
