

Duramine®

THERMALLY FUSED LAMINATE PANEL

Delivering value and durability in a variety of commercial and residential applications with a broad selection of rich wood grains, contemporary abstracts, and solid colors, Duramine® Thermally Fused Laminate provides a wide range of design options and the versatility of decorative composite panels for furniture, cabinetry, casework, and fixtures.

MAKING LIVES BETTER FROM THE GROUND UP.

 **Roseburg**

Purchasing Duramine®

Roseburg's purchasing programs provide flexibility and simplicity.

QUICK SHIP

20 designs that are available with a one-unit minimum on normal sizes.

MADE TO ORDER

A wide range of designs and sizes that are available with a 300-face minimum order. Our partners include Arclin, Wilsonart, BMK, and Panolam. Panolam designs from Roseburg are available in Alabama, Florida, Louisiana, Mississippi, and Texas.

CUSTOM

Specific designs for your color program or needs. Custom designs require a signed letter of commitment (LOC) and a minimum print volume.

DESIGN-TO-MATCH SYSTEM

Easy access to the primary components you need to match our Duramine® Thermally Fused Laminate. Vendor partners include High Pressure Laminate (HPL), Edgebanding, and 3D Laminate. [See more.](#)
