Direct-to-concrete application

Wind-driven rain protection

Open your smartphone camera and scan over the code to learn more about the benefits of Loxon XP™ Waterproofing Masonry Coating. ►

Loxon XP™ Waterproofing Masonry Coating provides active moisture resistance protection that requires no priming* and fewer coats — saving you time and money.

Provide Protection in Fewer Coats

Requires one less coat compared to conventional masonry coatings, saving time and money.

Prolong the Life of Concrete and Masonry

Keeps concrete and masonry surfaces looking great by resisting damage from weathering.

Protect Masonry from Damp Conditions

Seals and protects exterior aboveground masonry.

Finish Jobs Faster

No need to prime. Apply directly to the concrete and cementitious surfaces.

Industry-leading innovation from a name you can trust. Many hours of field testing, years of research and decades of experience go into developing coatings that are better for your business. Sherwin-Williams has been committed to quality for more than 150 years and has a complete line of extraordinary paints and stains, plus rich, beautiful colors to set your work apart.
