

Building with conscience.

StoColor® Acrylic Coatings

High performance coatings with a range of colors and sheens

Facades

Interiors

StoColor® Acryl and Acryl Plus are formulated to deliver endurance, color consistency, and aesthetics. Our advanced acrylic coatings offer superior performance, for long-lasting protection and beauty on both interior and exterior walls.

StoColor Acryl Plus

Delivers superior color stability and fade resistance

StoColor Acryl Plus

Formulated for outstanding performance, StoColor® Acryl Plus is the solution for projects demanding weather endurance, and visual appeal. Whether applied over concrete masonry, concrete, EIFS, or stucco systems, this premier decorative coating elevates both interior and exterior building aesthetics. It shields against weather, environmental salts, and pollutants to prolong service life.

StoColor Acryl Plus is backed by a warranty of up to 12 years. Choosing StoColor Acryl Plus translates to enjoying vibrant and longer lasting color and a more environmentally conscious choice.

Available in flat and eggshell finishes and in a variety of colors, StoColor® Acryl Plus offers a way to enhance the appearance of building facades.

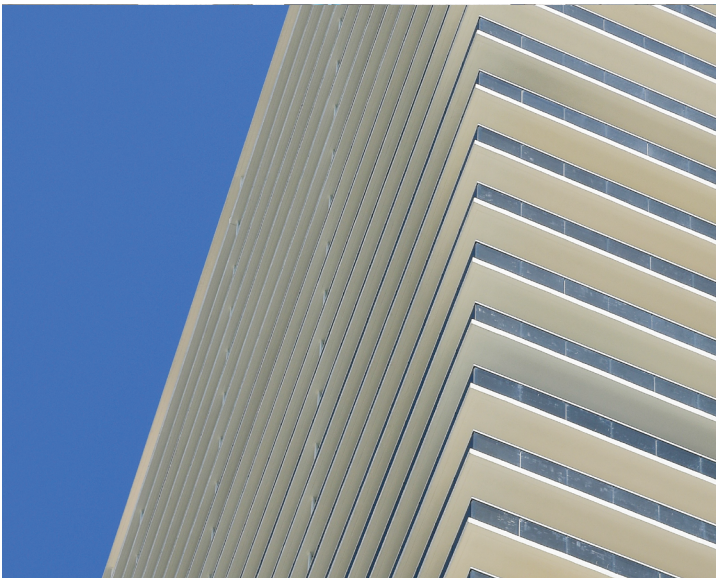

StoColor Acryl

Designed to provide protection against the elements

StoColor Acryl
StoColor Acryl allows the substrate to breathe naturally, resisting peeling and blistering. Available in a flat finish, StoColor Acryl features acrylic-based composition, vapor permeability, easy cleanup, and low VOC formulation. StoColor Acryl is backed by a warranty of up to five years, offering both durability and protection and a cost-effective solution.
