

Safety Data Sheet

Section 1 Identification

- a) Product Name : Tectum Panels
- b) Technical Name : Wood-Cement Board
- c) Formula : Proprietary
- d) Use: Acoustical wall, ceiling and roof deck panels
- e) Manufacturer: **Tectum Inc.**
P.O. Box 3002
Newark, Ohio 43058-3002
888-977-9691 Phone
800-832-8869 Fax
www.tectum.com
info@tectum.com

Section 2 Hazard Identification

- a) There are no known hazards associated with the panels
- b) Dust from cutting or fabrication is a nuisance dust

Section 3 Composition/Information on Ingredients

- a) Aspen Wood Excelsior : 44%
- b) Magnesium Oxide : 25%
- c) Sodium Silicate Glass : 16%
- d) Magnesium Sulfate : 9%
- e) Calcium Carbonate : 6%

Section 4 First Aid Measures

- a) If exposure to dust from fabrication causes respiratory issues remove individual from area

Section 5 – Fire Fighting Measures

FLAMMABLE PROPERTIES:

- a) Flash point: Not applicable.
- b) Combustible: Material may burn on contact with oxidizers or ignition sources.

FLAMMABLE LIMITS:

- a) Lower flammable limit: Not applicable.
- b) Upper flammable limit: Not applicable.

AUTOIGNITION TEMPERATURE: Typically 450-600° F.

EXPLOSION HAZARD: None

HAZARDOUS COMBUSTION PRODUCTS: Carbon dioxide, carbon monoxide, nitrogen oxides, aldehydes, cyanides, and other hazardous gases, vapors, and particles.

EXTINGUISHING MEDIA: Water, dry chemical and other agents rated for a wood fire (Type A fire). Use an extinguisher rated for a Type A fire.

FIRE FIGHTING INSTRUCTIONS: Evacuate the area and notify the fire department. If possible isolate the fire by removing other combustible materials. If the fire is small, use a hose-line or extinguisher rated for a Type A fire. If possible, dike and collect water used to fight fires. Fire fighters should wear normal protective equipment (full bunker gear) and positive-pressure self-contained breathing apparatus.

Section 6 - Accidental Release Measures

Does not apply.

Section 7 - Handling and Storage

- a) Handling-Provide ventilation to limit dust exposure
- b) Storage-Keep product away from sources that exceed the auto ignition limit

Section 8 - Exposure Controls/Personal Protection

- a) Engineering controls-provide dust collection when fabricating
- b) Eye Protection: Eye goggles or safety glasses with shields recommended when handling, sawing, routing, etc.
- c) Skin Protection: Protect from mechanical abrasion. Long-sleeve shirts and gloves recommended.
- d) Respiratory Protection: Mechanically filtering dust masks (NIOSH Approved half face respirator) recommended when handling, sawing, routing, etc.

Section 9 - Physical and Chemical Properties

- Appearance. Off white, solid
- Odor; slight to none
- Odor threshold; N/A
- pH; N/A
- Melting point/freezing point; N/A
- Initial boiling point; N/A
- Flash point; N/A
- Evaporation rate; N/A
- Flammability (solid, gas); N/A
- Upper/lower flammability or explosive limits; N/A
- Vapor pressure; N/A
- Vapor density; N/A
- Relative density; 16-26 lbs/ft³
- Solubility; N/A
- Partition coefficient: n-octanol/water; N/A
- Auto-ignition temperature; N/A
- Decomposition temperature; N/A
- Viscosity; N/A

Section 10 - Stability and Reactivity

- Chemical Stability: Stable
- Incompatibility: Keep away from high temperatures and strong oxidizers, such as concentrated nitric acid, oxygen, hydrogen peroxide, and chlorine.
- Hazardous Decomposition Products: Carbon monoxide, hydrogen cyanide, and other products of wood combustion.
- Hazardous Polymerization: Will not occur.

Section 11 – Toxicological Information

WOOD DUST: Wood dust from some tree species may induce sensitization.

Section 12 – Ecological Information

These wood-cement products are not expected to pose an ecological hazard as a result of their intended uses.

Section 13 – Disposal Considerations

Dispose of waste according to local, state/provincial, and federal requirements.

Section 14 – Transport Information

National Motor Freight Class – Class 65

Placards/Labels – N/A

Section 15 – Regulatory Information

N/A

Section 16 – Other Information

This SDS is intended solely for safety education and not for use as specifications or warranties. The information in this SDS was obtained from usually reliable sources and is provided without any representation for warranties regarding the accuracy or correctness. Since the handling, use, and storage is beyond our control, Tectum Inc. assumes no responsibility and disclaims liability for any loss, damage, or expense arising there from.

This SDS was initially prepared 06/14/2013.
