To Whom It May Concern:

RE: TREMprimeVB Primer—Green Building Product Information (LEED v4 Information)

Tremco Incorporated is an organization that is committed to quality, our employees, and our environment. We are responsive to both internal and external customers, and we pledge to treat everyone with good stewardship and respect.

Tremco Incorporated certifies the following for TREMprime VB Primer:

Building Product Disclosure and Optimization:

TREMprime VB Primer is manufactured in Twistringen, Germany.

No single extracted material is used to produce the majority of this product.

Recycled content for TREMprime VB Primer is not available, and for the purposes of LEED v4 reporting should be assumed to be zero.

Low Emitting Materials-VOC Content Information:

TREMprime VB Primer is a exterior applied waterproofer with a VOC content of 0 g/L equaling 0% as applied/mixed. Because this product is an exterior applied product, LEED v4 Low Emitting Materials criteria only apply if the project is Heathcare or a School.

Green Chemistry:

Tremco Incorporated is dedicated to the environment and prides itself on making its products as sustainable as possible.

Additional Information:

Should you have any questions or require additional information, please do not hesitate to contact Technical Services or your local Tremco Field Representative.

Sincerely,

A handwritten signature in blue ink, appearing to read "Amy Woodard".
