

TECHNICAL DATA SHEET

TREMSTOP® SMOKE & SOUND SPRAY

Sprayable Acrylic Latex Sealant

PRODUCT DESCRIPTION

TREMstop® Smoke & Sound Spray is an acrylic latex sealant for use in smoke rated partitions or joints and to prevent sound transmissions through unprotected openings.

BASIC USES

TREMstop Smoke & Sound Spray may be used for both through-penetrations and joints in smoke and/or sound rated partitions. It is uniquely formulated to meet the needs of both smoke and sound rated applications.

FEATURES & BENEFITS

TREMstop Smoke & Sound Sealant is designed to meet the needs of both smoke and sound rated partitions with one product, providing labor and material cost savings. The spray application affords additional labor savings with its ease of application, especially on large jobs and long joint runs.

- Paintable once dry
- Easily cleaned up with soap and water (before sealant skins)

The Greenguard Gold certification on TREMstop Smoke & Sound Spray ensures safety for use in the most sensitive indoor environments including hospitals and schools.

AVAILABILITY
