

3/8" Medium Bullnose Kerfed Bead

Also known as 350 Bull

A kerfed bead like this one is an ideal solution to make drywall terminations into windows and doors, providing a clean contemporary look without traditional millwork. This profile is made with a medium-sized 3/8" radius, and would work well alongside the rest of our 3/8" Medium Bullnose family to complete the look throughout any room.

3/8" Medium Bullnose Molded Corners & Accessories

Also known as 350 Bull

A perfect finish doesn't always have to mean spending lots of time and money, and in areas where multiple 3/8" Medium Bullnose beads meet, these molded corners are the perfect accessories for a faster finish. Bullnose base adapters transition rounded beads to 90-degree corners for installing baseboards.
