

## Mud Set Rigid Jumbo Low Profile Corner Bead

Mud Set Beads are the strongest and most impact-resistant corner solutions on the market, and this Jumbo version of our Mud Set Rigid Low Profile Corner Bead comes with extra-wide 1 3/4" mud legs for heavy-duty 90-degree corners. Ideal for a level-five finish, with no setback required, this solution easily finishes two layers of 5/8" drywall.

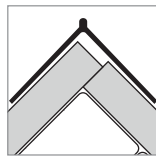

### Installation Guide

Technical Specs

Setback: Standard

#### Before Installation:

Measure, cut and dry fit the bead.

#### Step 1:

Apply compound to the bead using a hopper.

#### Step 2:

Place bead on the corner.

#### Step 3:

Press the bead in place, applying pressure using the Pro Series Quad Roller.

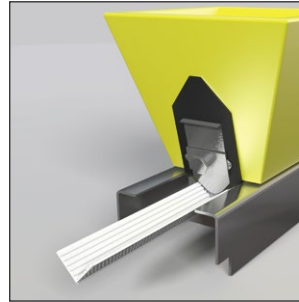

#### Step 4:

Wipe the surface of the bead to clean any excess mud.

#### Step 5:

Finish with drywall compound.
