

Super Seal Tear Away® L Bead Submittal Sheet

| STOCK NO. | SIZE | LENGTH | PCS. PER BOX |
|-----------|------|--------|--------------|
| 9210 | 3/8" | 10' | 25 |

Description: Trim-Tex Super Seal Tear Away L Bead is designed to seal around windows, doors, and where drywall butts up to a concrete wall. Gasket compresses upon installation to form a permanent seal that reduces sound transmission, replaces caulk, and provides structural relief at the panel perimeter.

Advantages: Made from rust proof, dent resistant PVC to reduce jobsite and handling damage. Does not contain cellulose, a potential food source for mold.

Limitations: Product is designed for interior use.

Applicable Standards: Rigid PVC products made by Trim-Tex achieve a Class A rating for flame spread and smoke developed when tested under ASTM E84.

Surface Characteristics: Trim-Tex products are made from PVC. PVC does not support combustion and is self-extinguishing when the source of flame or heat is removed.

Installation: Trim-Tex recommends following established acceptable industry standard installation methods. Detailed installation instructions can be found at www.trim-tex.com.

Finishing: Always use a high quality paint.

Accessories: 847 Spray Adhesive and Safety Products distributed by Trim-Tex.
