USG
IT'S YOUR WORLD. BUILD IT.™

Freedom

Enjoy the freedom to bring to life the vision you see in your mind. Logix™ Brand Integrated Ceiling Systems from USG provide that freedom. With a breakthrough design that combines advanced engineering and a strikingly pure aesthetic, Logix offers a flexible, environmentally conscious system that provides a beautiful ceiling free from visual clutter.

Organization

Logix™ brings together form, fit, and function in a tested system with crisp lines and a pure aesthetic. Align your ceiling with structural elements and furniture or define work areas and emphasize areas of interest.

Variety

Logix™ is compatible with a wide selection of 4 in., 6 in., 12 in., 100 mm, 150 mm, and 300 mm utilities. Innovative components allow you to create continuous, fixed, separated, and crosscut channel configurations using standard ceiling and suspension system components.
