USG Commercial Product Discontinuation Notice

To Our Customers,

Due to the continuous expansion of our ceiling tile portfolio and the market demand for higher-performing products, it is necessary to discontinue some low-demand panels to reallocate inventory space and production time for the newer products and systems.

This letter is to inform you that after reviewing our product portfolio, USG will discontinue the following products effective **June 30, 2025**:

Product to be Discontinued	Item #	Com. Code	Alternative	Item #	Com. Code
Aspen™ Basic Panels			Touchstone™ Panels

Orders for the products to be discontinued listed above will be accepted until inventory is depleted. Once discontinued, you can discard remaining samples. If you have any questions, please contact your USG sales representative.

We appreciate your business and thank you for your continued support.

Sincerely,

Deirdre Brockwell
Product Manager, Acoustical Tile Ceilings
