

LIMITED WARRANTY FOR PRODUCTS MANUFACTURED BY UNITED STATES GYPSUM COMPANY OR USG INTERIORS, LLC

The following Limited Warranty applies to products manufactured and sold by United States Gypsum Company or USG Interiors, LLC that are used in the United States and NOT covered by a product-specific warranty at the time of the order acknowledgement for such product. For products that are covered by a product-specific warranty, that specific warranty applies to your purchase and not this Limited Warranty. To find out if a product is covered by a product-specific warranty, please visit [USG Warranty Page](#), or www.usg.com and search for “warranty” or the product name. As used in this Limited Warranty, the name “USG” refers to United States Gypsum Company with regard to products it manufactures and sells and to USG Interiors, LLC with regard to products it manufactures and sells.¹

What is Covered? USG warrants that all products manufactured by it are free from defects in material and workmanship at the time of manufacture. This Limited Warranty extends to the entity that purchased the products directly from USG,² dealers that sold the products in their original packaging, the contractor that first installed the products, and the owner of the building in which the products were originally installed.

What Will USG Do? USG’s liability is expressly limited to the replacement (in the form originally shipped) of products not complying with this Limited Warranty, or, at our election, to the repayment of, or crediting the warranty holder with, an amount equal to the purchase price of such products. This limitation applies whether claims are for breach of warranty or negligence.

What is the Period of Coverage? This Limited Warranty runs for one year from the date of original purchase, and you must give USG written notice of a warranty claim no later than thirty (30) days from the date the claimed defect was discovered or by reasonable inspection should have been discovered. Your written warranty claim should include a brief description of the problem, photographs if available, and any sales receipts, invoices or other information indicating the date of purchase and installation.
