

Sun Tunnel® Skylights Low Profile Metal Flashing

VELUX SUN TUNNEL® tubular skylights are a great way to brighten any space with energy-efficient natural light. Every room in your home deserves to be filled with natural light—even those in the center of your home. Unlike traditional windows, the VELUX Sun Tunnel® Skylight can be installed within an afternoon, making it one of the fastest and most inexpensive ways to transform your home with natural light.

Ideal Applications:
with little natural light such as bathrooms, hallways, laundry rooms, and other smaller spaces.
