

# Sun Tunnel® Skylights Metal Flashing Curb-Mount

VELUX SUN TUNNEL® tubular skylights are a great way to brighten any space with energy-efficient natural light. Every room in your home deserves to be filled with natural light—even those in the center of your home. Unlike traditional windows, the VELUX Sun Tunnel® Skylight can be installed within an afternoon, making it one of the fastest and most inexpensive ways to transform your home with natural light. Seamless one-piece, metal curb mount flashing with low profile dome is ideal for low sloped roofs and roofs with metal roofing material.

## Ideal Applications:

with little natural light such as bathrooms, hallways, laundry rooms, and other smaller spaces.

## FEATURES & BENEFITS

- Easy and quick installation
- Highly reflective inner surface offers 99% light transfer
