

SUBMITTAL SHEET

Flush, stainless steel cam latch opens with screw-driver

WALLS & CEILINGS

FRONT ELEVATION

SECTION DETAIL

This lightweight, insulated, all aluminum access door is ideal for exterior applications, and also those specific interior applications where corrosion or moisture is a concern. Access to large openings in walls and ceilings is made easy. The non-extruded door frame has the same visual aesthetic design as the UAD Series door. Comes with gasket on 3 sides. The aluminum door panel is insulated with 1" KINGSPAN GreenGuard Insulation.

1. When a door increases in size, more cams are added for security in the ceiling or wall
2. For requests on clear opening after door installed, please email info@wbdoors.com
3. All installation holes must be used for proper door functionality and security
4. For custom sizes, please reach out to info@wbdoors.com
5. Clear opening may be impeded by structural or functional parts on door
6. Drawings of any door can be requested through info@wbdoors.com
