## E-Z Taping System Flame Fighter Drywall Tape (2in x 250ft)

Product #: W-EZ99251

E-Z Taping System Flame Fighter Drywall Tape is an alternative to conventional fiberglass tape. Flame Fighter Drywall tape allows you to finish Level 1 & 2 Firewalls with no mud, and is also approved for ceilings.

- Permanent adhesion to drywall with no mud needed
- Up to 60% faster installation time over conventional methods
- Works with wood and steel beam construction
- Rated in both US and Canada by Intertek Testing Service ETL for one and two hour firewall construction with fire-rated drywall
