## Straight-Flex Original Outside Corner Tape, 2-3/8in x 100ft

Product #: W-SFS0100

Straight-Flex Original is the most versatile composite drywall tape on the market. Original is easier to install than metal corner bead – just cut with knife or scissors and apply with joint compound for perfectly finished corners every time.

- Resists dents and paint chipping
- Will not rust
- Durable composite material won't fuzz up when sanding
- 2 3/8in x 100ft roll size
