

Mortar Net® Weep Vents™

Mortar Net® Weep Vents™ are made from recycled polyester with a 90% open mesh, and are bonded with a flame retardant adhesive to provide resiliency and strength, plus an anti-microbial additive to control mold growth. They are an easy way to ensure brick cavity and single wythe block construction masonry walls maintain their finished appearance and drain correctly for life.

Size:

Width Height Thickness
2-5/8" x 3-1/2" x 1/2"

- Easy and quick to install
- No adhesives required
- Mold resistant
